**PROPOSED AMENDMENT PCT 20-4**

***“Residential Density in Areas Designated as Commerce or Activity Center”***

**RECOMMENDATIONS/ACTIONS**

**DATE**

- I. Planning Council Staff Transmittal Recommendation June 16, 2020

It is recommended that the proposed amendment to the BrowardNext - Broward County Land Use Plan be approved to expand the bonus density opportunity to all lands within an Activity Center, as well as eliminate the “market rate” reference as to not unintentionally penalize affordable housing developments. Further, Planning Council staff recommends that the Commerce land use designation permitted uses be amended to eliminate the reference to affordable housing to avoid a potential conflict with proposed Policy 2.16.4.

As the Planning Council is aware, the Broward County Charter requires at least one Planning Council public hearing and Article 1.2(A) of the *Administrative Rules Document: BrowardNext* outlines the following circumstances in which a second Planning Council public hearing may be recommended or required:

- (1) At its initial public hearing, the Planning Council takes an action to recommend denial of a proposed amendment; or
- (2) At its initial public hearing, the Planning Council takes an action to recommend approval subject to meeting specific criteria or policy prior to a second Planning Council public hearing; or
- (3) At its initial public hearing, the Planning Council votes by a majority of the members present with a minimum of six (6) affirmative votes for a second Planning Council public hearing; or
- (4) If the County Commission requests by a vote of the majority of members present to request a second Planning Council public hearing; or
- (5) If an objection or comment on adverse impacts to important state resources or facilities is issued during the State of Florida Chapter 163 review process; or
- (6) If State of Florida Chapter 163 requires or is modified to require a second local planning agency public hearing.

**If the Planning Council chooses to require a second Planning Council public hearing per Article 1.2(A)(1)(2) or (3), such recommendation must be made as part of its motion.**

**RECOMMENDATIONS/ACTIONS (continued)**

(Vote of the board; Unanimous; 17-0: Blackwelder, Blattner, Breslau, Brunson, DiGiorgio, Fernandez, Gomez, Good, Graham, Grosso, Hardin, Parness Railey, Rich, Ryan, Williams and Stermer)
