

MISSION STATEMENT. To protect the long-term public health, safety and welfare, Broward County and the municipalities, who are parties to this Interlocal Agreement, commit to working together collaboratively through the creation of the _____ (the “_____”). The _____ will develop and implement a long-term, environmentally sustainable, transparent, innovative and economically efficient plan and approach to disposing and recycling solid waste generated in Broward County.

GOALS: The _____ will (a) encourage recycling and reuse, diverting solid waste from landfills, to ultimately reach zero waste, (b) support regional solutions with other counties with priority being given to members of the _____, (c) conduct public education campaigns, and (d) engage in and/or support research and development into disposal, recycling, reuse and utilization of the latest technology to create a sustainable and resilient solid waste disposal system.

[Add to whereas clauses: The hauling of solid waste will be determined by each responsible local government.]
