00:00:14.340 --> 00:00:15.190

Sely Cochrane: If you don't know that

2

00:00:15.790 --> 00:00:17.060

Sely Cochrane: i'm Magical.

3

00:00:37.420 --> 00:00:38.290

Sely Cochrane: I

4

00:00:41.320 --> 00:00:43.180

Mary Lou Tighe: Okay. Good morning.

5

00:00:43.610 --> 00:00:56.220

Mary Lou Tighe: So we've convened this meeting of the representatives of the 10 most populous cities to replace Commissioner McMahon from the city of Pompano Beach, who was not re-elected.

6

00:00:58.750 --> 00:01:13.280

Mary Lou Tighe: We have a quorum of the 10 most popular cities and i'm just going to run through those names real quick. so that we can establish that Commissioner Glassman is not with us. Commissioner Good is not with us. Mayor Levy is present.

7

00:01:15.240 --> 00:01:20.589

Mary Lou Tighe: Commissioner Davis's President, Commissioner Carter's, President, President, did I say, President.

8

00:01:20.700 --> 00:01:24.170

Mary Lou Tighe: I promoted somebody. Mayor Harden is present.

9

00:01:24.510 --> 00:01:34.700

Mary Lou Tighe: Council Member Hatton is not present. Mayor Ryan is present. Commissioner of Orland is President, and Commissioner Droski is President, so we're good to go

10

00:01:35.570 --> 00:01:40.079

Mary Lou Tighe: Just a little bit about the solid ways working group. Mayor leave you have a question.

11

00:01:40.790 --> 00:01:43.360

Josh Levy: I just had my hand up.

12

00:01:43.460 --> 00:01:44.979

Mary Lou Tighe: Okay,

13

00:01:46.240 --> 00:01:59.590

Mary Lou Tighe: The the solidways working group has been meeting now for over probably 2 years, as it's currently constituted. We've been at this for probably 4 years in terms of trying to get it. Some kind of

14

00:02:00.950 --> 00:02:16.140

Mary Lou Tighe: authority or group to deal with the solid waste issues of Broward County. just so that folks know the time commitment for a member Previously we have been meeting every other Wednesday, but via zoom for 2 h.

15

00:02:16.210 --> 00:02:33.279

Mary Lou Tighe: right now, because of elections, we're a little bit on a hiatus. I mean the solid waste working group will meet tomorrow, but they're not fully constituted, so no votes or action can be taken. But we have so for information items that we will be talking to them about anybody who's interested in this position.

16

00:02:33.290 --> 00:02:46.760

Mary Lou Tighe: look for a 2 h commitment every other Wednesday via zoom that could increase it could decrease. Depend on what's happening. but that's where we are right now. and at this point in time. If anybody

17

00:02:46.770 --> 00:02:54.999

Mary Lou Tighe: as any questions on on the group itself, i'd be happy to have answer them. If not, i'm going to turn it over to Mike Sirello, who will handle the

18

00:02:55.320 --> 00:02:57.720

Mary Lou Tighe: selection process.

19

00:02:59.990 --> 00:03:03.129

Mary Lou Tighe: Mike, you're good, and I just.

20

00:03:03.150 --> 00:03:04.880

Mary Lou Tighe: I think Mayor Levy

21

00:03:05.930 --> 00:03:09.669

Mary Lou Tighe: has his hand up for a comment after

22

00:03:10.420 --> 00:03:12.750

Mary Lou Tighe: your your guidelines.

23

00:03:13.070 --> 00:03:17.259

Michael Cirullo: All right. Well, good morning, everyone. We. There is no set formal process

24

00:03:17.480 --> 00:03:21.570

Michael Cirullo: for how this is. Handle our recommendation would be that.

25

00:03:21.660 --> 00:03:24.920

Michael Cirullo: You open it up, for you know nomination.

26

00:03:25.080 --> 00:03:30.080

Michael Cirullo: and if you get all those nominations, then we'll do a roll call boat, where each of you will

27

00:03:30.130 --> 00:03:33.820

Michael Cirullo: indicate by name. Which of the one that

28

00:03:33.980 --> 00:03:43.030

Michael Cirullo: you would vote for, and if no one gets, you know, 4 votes in the first round, we can narrow it down. If there's more than you know. 2 book, 2 nomination

29

00:03:43.190 --> 00:03:50.540

Michael Cirullo: and then have a second amount of voting, but with 7 people here, if there's 2 nominations. You would get a 4, 3. I would think

30

00:03:50.860 --> 00:03:55.670

Michael Cirullo: so. Our Our recommendation would be if we have any nomination.

31

00:03:55.820 --> 00:03:57.230

Michael Cirullo: Oh, no.

32

00:03:57.290 --> 00:04:00.040

Michael Cirullo: it's put them on the floor. you get the

33

00:04:00.350 --> 00:04:16.309

Michael Cirullo: unless you guys want to do something more formal they don't need seconds. You can nominate yourself, and then, once we close the nomination we'll call roll call of the members who are here. the 7 that are currently on the board, and if someone gets 4 on the first round they'll be your replacement if they don't will

34

00:04:16.360 --> 00:04:20.379

Michael Cirullo: have a second round, maybe lop off the person. If there were more than 2 again

35

00:04:20.420 --> 00:04:29.439

Michael Cirullo: who did. It came in third place, and I don't know if anybody has any objections that process when we discuss it, might be a more straightforward at least, to go this morning

36

00:04:31.150 --> 00:04:32.419

Rex Hardin's iPhone: sounds good to me.

37

00:04:32.630 --> 00:04:33.520

Michael Cirullo: Okay.

38

00:04:33.540 --> 00:04:52.769

Michael Cirullo: So with that, I guess what we do is if there's any nomination, let's go ahead and put them out on the floor, and then you know, and we we also discussed, not electing a share pro temp among you all that we would facilitate this meeting, and unless you have any objections with that process as well, and that's why Mary Lou and I are kind of just leading the way.

39

00:04:52.860 --> 00:04:53.770

Michael Cirullo: Facilitate that.

40

00:04:54.010 --> 00:05:10.159

Josh Levy: Thank you, Michael. so it's great to see everybody here, and really want to thank the legal cities for taking on this a huge endeavor to try to corral ourselves, together with the county. On coming up with, you know. perhaps a community led

41

00:05:10.170 --> 00:05:24.019

Josh Levy: solution to solid waste disposal and recycling and Broward County, so I I really applaud the group. for its work to date. I know. you know, as as we're digging the and getting more into detail. It's really more quite, which

42

00:05:24.030 --> 00:05:33.300

Josh Levy: brings up more questions on how to best proceed with the county. I know there's there's a lot at stake, and a lot of that people want to do here. I I know also

43

00:05:33.390 --> 00:05:45.759

Josh Levy: that when the group was originally formed it was important to have a you know, geographic layout of the members in terms of size of cities, and also location. And that's how it was sort of aligned, and in the beginning and

44

00:05:45.800 --> 00:06:04.379

Josh Levy: My personal feeling is that since we lost the Commissioner from Pomp, and I do want to retain, though that northeast. you know. participation toward the the group, and Mayor Harden had served with me together on the Cares Act task force, together with Mr. Droski here and

45

00:06:04.390 --> 00:06:26.269

Josh Levy: attended the meetings, for every meeting was really helpful brought ideas forward relationships forward, and also his time and and insight to make that a successful endeavor with the cares act, task force. So your hard, and i'd love to nominate yourself, to retain that pomp and a position and also to have your personal involvement would be, I think, very valuable.

46

00:06:27.930 --> 00:06:36.880

Rex Hardin's iPhone: Well, it's, you know. I'm happy happy to serve as as I've done the past, so I I object to Rex

47

00:06:37.260 --> 00:06:48.350

Michael Ryan: talking any further I think we should just second it, and don't let him talk himself out of it, or deny the opportunity. So I I would second what I interpret to be emotion.

48

00:06:49.050 --> 00:06:57.359

Michael Cirullo: But again it you also want to make a motion a second, but we were opening up for nominations, and we have one, for

49

00:06:57.540 --> 00:07:00.569

Michael Cirullo: they're hard, and I don't know if there's any other nomination.

50

00:07:00.850 --> 00:07:07.730

Rex Hardin's iPhone: out there. I I I I feel like i'm on the bright line train here. I I's something about a railroad.

51

00:07:08.190 --> 00:07:10.720

Michael Ryan: right?

52

00:07:12.020 --> 00:07:12.740

SE Florida Joy Carter: Okay?

53

00:07:13.320 --> 00:07:16.090

Michael Cirullo: So are there any other nomination?

54

00:07:19.440 --> 00:07:23.139

Michael Cirullo: Okay, I'm seeing head shake, and i'm not hearing anything, so

55

00:07:23.320 --> 00:07:30.379

Michael Cirullo: I guess, with without objection, I will announce the nominations are closed to merrily, which is called Roll Call for formality.

56

00:07:31.450 --> 00:07:32.580

Mary Lou Tighe: Mayor Levy.

57

00:07:33.480 --> 00:07:34.270

58
00:07:34.370 --> 00:07:35.689

Michael Ryan: Yes, Commissioner Harley.

Denise Horland: Yes, Commissioner Drosky.

00:07:53.940 --> 00:07:54.860
Todd Drosky: Yes.

67
00:07:55.650 --> 00:07:57.330
Michael Cirullo: they have a unanimous vote.

68
00:07:57.710 --> 00:08:10.480
Rex Hardin's iPhone: Thank you all for your support. Oh, I i'm, i'm
i'm i'm touched, touched and honored. I I wouldn't just just wait for
the ride you're in for now.

69

00:08:10.550 --> 00:08:11.490
Rex Hardin's iPhone: Yeah.

70
00:08:11.530 --> 00:08:15.810
Michael Ryan: no, just King. I'm glad to have you on. And

71
00:08:15.830 --> 00:08:19.089
Michael Ryan: there's a lot of good work that's been done, and there's a lot more to do. So.

72
00:08:19.440 --> 00:08:23.770
Mary Lou Tighe: So Mayor Martin. we will send you the zoom link for Tomorrow's meeting.

73
00:08:24.700 --> 00:08:30.819
Rex Hardin's iPhone: Yeah, yeah, let's let's not waste any time here, right?
