1

00:00:08.220 --> 00:00:08.970

Sely Cochrane: Okay.

2

00:00:11.820 --> 00:00:19.610

Mary Lou Tighe: Okay. So i'll start again. The reason for this meeting today is a. As the 10 middle population cities.

3

00:00:19.890 --> 00:00:35.200

Mary Lou Tighe: You have the need to elect or select a new representative to the solid waste working group to replace Commissioner Sabrina, Havana from the city of Helendale Beach, who opted not to run for re-election.

4

00:00:35.650 --> 00:00:48.380

Mary Lou Tighe: So the cities within those 10, the 10 most the 10 middle population cities are Lauder Hill, Western Tamar at Coconut Creek, Margate Oakland, Park, North Lauderdale, now in Beach Lauderdale Lakes, and Cooper City.

5

00:00:50.010 --> 00:00:58.020

Mary Lou Tighe: Commissioner Julie and Mayor Ross are already on the solid waste working group, so they kind of go out of the running for it.

6

00:00:58.980 --> 00:01:18.490

Mary Lou Tighe: So for those of you who might be interested in this, or obviously everybody's interested in it because of the enormity of the issue. But this is a position that over the past 2 years has taken a considerable amount of time. So it's something that have to be committed to do. Mayor Ross is the chair.

7

00:01:19.930 --> 00:01:25.900

Mary Lou Tighe: Vice chair is Commissioner, for from Broward County the committee is

8

00:01:26.300 --> 00:01:31.220

Mary Lou Tighe: set up, and it and has been meeting every other Wednesday for at least 2 h.

9

00:01:31.310 --> 00:01:41.200

Mary Lou Tighe: and then subsequent meetings in between, and lots of other issues that have come about and talked about where we go.

10

00:01:42.760 --> 00:01:52.820

Mary Lou Tighe: A lot of progress has been made, but still a lot more work to do. And we we need to add this ninth member to the solid waste working group.

11

00:01:52.900 --> 00:01:59.030

Mary Lou Tighe: If there's any questions i'd be more than happy to try and answer them before I turn them over to Mike, and

12

00:01:59.310 --> 00:02:03.640

Mary Lou Tighe: we'll go from there. Mayor Gomez that followed by Commissioner Julie.

13

00:02:03.820 --> 00:02:07.790

Michelle J. Gomez: You said that it's in every other Wednesday which Wednesday

14

00:02:07.890 --> 00:02:13.670

Mary Lou Tighe: it's usually the first and second. and it's from 11 to one, and they are Zoom Meetings.

15

00:02:17.980 --> 00:02:19.240

Mary Lou Tighe: Commissioner Julie.

16

00:02:19.430 --> 00:02:20.870

Becky Tooley: can we nominate?

17

00:02:21.540 --> 00:02:28.210

Mary Lou Tighe: That is. I think you can nominate. I think there could be volunteers.

18

00:02:28.280 --> 00:02:37.340

Mary Lou Tighe: I think, any way to get people on the on the floor for consideration is available. Mike, is that correct?

19

00:02:37.790 --> 00:02:43.740

Michael Cirullo: Yeah, there's no set process. I mean, it can be as formal as as we need it to be if

20

00:02:43.950 --> 00:02:50.380

Michael Cirullo: if we if there's discussion. And and there's that there's a concern about not being able to get to a decision.

21

00:02:50.500 --> 00:02:55.740

Michael Cirullo: You know, fairly straightforward. We can go through it, you know. But I there's no problem with doing nomination

22

00:02:55.880 --> 00:02:57.740

Michael Cirullo: process

23

00:02:57.760 --> 00:03:04.680

Michael Cirullo: or volunteers. However, you, however, the Board collectively wants to go. Typically, we just open it up for discussion.

24

00:03:13.160 --> 00:03:14.260

Mary Lou Tighe: Me Ross.

25

00:03:14.700 --> 00:03:21.280

MayorRoss: I i'd like to discuss the nominee of, and I I know he's not on here but Anthony Cadiano

26

00:03:21.480 --> 00:03:24.460

MayorRoss: to me he has

27

00:03:24.690 --> 00:03:33.970

MayorRoss: really risen to the occasion, and coming into the Broward League and talking about the solid waste and attending the various meetings.

28

00:03:34.010 --> 00:03:38.740

MayorRoss: Candidly, I I think you would do a good job for the northern end, if you will.

29

00:03:38.750 --> 00:03:40.130

MayorRoss: and

30

00:03:40.750 --> 00:03:46.740

MayorRoss: he's he always tends to look at things out of the box. It's never straight on.

31

00:03:46.790 --> 00:03:50.240

MayorRoss: And and in this situation I think it's a good idea.

32

00:03:52.360 --> 00:03:53.530

Mary Lou Tighe: Commissioner Tuli.

33

00:03:54.070 --> 00:04:01.460

Becky Tooley: Actually, I would like to nominate Michelle Gomez, because, if you remember, when we did this, the first time the show was picked.

34

00:04:01.690 --> 00:04:06.760

Becky Tooley: and Mayor Rock, you were kind of standing in the in the background.

35

00:04:06.800 --> 00:04:15.700

Becky Tooley: and she gave your seat up her seat up to you, and that's why I would like to nominate Michelle because she was picked originally by everybody.

36

00:04:15.890 --> 00:04:27.240

MayorRoss: I I honestly, Michelle, I and and I don't you know me, you know. No, it's all due difference, but i'm telling you honest to God, it's a lot of work.

37

00:04:27.420 --> 00:04:29.010

MayorRoss: It's a lot of hours.

38

00:04:29.060 --> 00:04:33.440

MayorRoss: and if you're up for it all the power, let's do it. I kid you not.

39

00:04:35.470 --> 00:04:39.650

MayorRoss: But I've met your commission.

40

00:04:41.530 --> 00:04:46.820

MayorRoss: hey? Your time, maybe spent elsewhere. I don't know. You tell me

41

00:04:47.050 --> 00:04:59.850

Michelle J. Gomez: like I would be happy to accept the nomination and come back in and do the work. I have no problem doing the work. But at the same token, if the majority of the group would rather try Anthony, I have no problem with that as well.

42

00:04:59.880 --> 00:05:13.530

Michelle J. Gomez: I'm. I'm happy to serve in any capacity. Truly my commission meetings are the second Wednesday at night. That's why I asked if it's the first and second ones. They you know. It's good. I do know it's a lot of work, but it it truly

43

00:05:14.610 --> 00:05:19.240

Michelle J. Gomez: the what was best for the to this the group. So it it is, Whatever Shelby

44

00:05:20.360 --> 00:05:21.900

MayorRoss: terrific. I love hearing that.

45

00:05:23.450 --> 00:05:30.980

Mary Lou Tighe: Okay. So we have 2 nominations on the floor, Mike, you. I'm going to turn it over to you to run the rest of it, because that's where you lose me.

46

00:05:31.260 --> 00:05:38.120

Michael Cirullo: I guess I guess we've got the 2 nominations. I don't know if the group wants to discuss it at all. If you just want to.

47

00:05:38.270 --> 00:05:41.450

Michael Cirullo: you know, typically we go for a vote.

48

00:05:41.670 --> 00:05:45.450

Michael Cirullo: there's no real science to it just we have.

49

00:05:45.920 --> 00:05:49.370

Michael Cirullo: We have 6 people present, Mary Lou. That's correct.

50

00:05:50.210 --> 00:05:53.080

Michael Cirullo: So someone would need to get for both.

51

00:05:53.830 --> 00:06:06.710

Michael Cirullo: So if you wanted to go in any particular order. You can vote on each of them, or we can call each of you one at a time, and you can just say your vote Katiano or Gomez, and see if doing it that way gets 4 for one.

52

00:06:08.600 --> 00:06:10.920

Michael Cirullo: How do you all feel comfortable doing

53

00:06:11.430 --> 00:06:13.490

Michelle J. Gomez: question for you before you do?

54

00:06:13.710 --> 00:06:17.380

Michelle J. Gomez: Is, I know these are public meetings. That's everything from sunshine.

55

00:06:17.600 --> 00:06:25.880

Michelle J. Gomez: But if it would make people feel more comfortable if they want me to step off the line for a moment. I'll be happy to do so. I I don't want to put anybody in there.

56

00:06:26.140 --> 00:06:32.770

MayorRoss: Yeah, it's just, you know.

57

00:06:33.530 --> 00:06:35.430

Michelle J. Gomez: No, thank you for that, though. No.

58

00:06:35.960 --> 00:06:38.820

Michael Cirullo: you're always such a nice person

59

00:06:40.490 --> 00:06:55.180

Michael Cirullo: unless unless we want to, you know. I mean, unless you say otherwise, why don't, we just call the the folks that are here, and and you guys to take the name that you're voting for, and we'll see if someone gets 4 boats that way, and If not, we can. We calibrate to where we go from there?

60

00:06:56.170 --> 00:06:59.970

MayorRoss: Fair enough. I think you should leave Becky and I to the last.

61

00:07:00.510 --> 00:07:01.290

Michael Cirullo: Okay.

62

00:07:01.700 --> 00:07:02.940

Mary Lou Tighe: Mayor Thurston.

63

00:07:03.420 --> 00:07:05.750

Ken Thurston: I vote Gomez

64

00:07:07.110 --> 00:07:10.360

Mary Lou Tighe: Mayor Brown is not with us. Mayor Gomez.

65

00:07:10.940 --> 00:07:12.800

Michelle J. Gomez: I'll go. Gomez

66

00:07:14.450 --> 00:07:17.620

Mary Lou Tighe: is not with us, Commissioner or

67

00:07:18.210 --> 00:07:18.960

Steve Arnst: I'm Gomez.

68

00:07:21.110 --> 00:07:25.690

Mary Lou Tighe: Mr. Or Mayor Bourgeon is not with us. Commissioner Lazaro is not with us.

69

00:07:26.280 --> 00:07:27.980

Mary Lou Tighe: Mayor Phillips

70

00:07:28.200 --> 00:07:29.220

Veronica Phillips: Gomez.

71

00:07:32.120 --> 00:07:33.410

Mary Lou Tighe: Commissioner

72

00:07:33.980 --> 00:07:34.970

Becky Tooley: Home. As

73

00:07:35.610 --> 00:07:38.290

Mary Lou Tighe: it is unanimous.

74

00:07:39.470 --> 00:07:42.500

Michelle J. Gomez: Everybody, I appreciate the support very much.

75

00:07:42.700 --> 00:07:54.610

Michelle J. Gomez: Don't expect the next meeting to be so short, Michelle. No worries as long as I have my blanket with me, and i'm good to go. So you don't hear my tea shattering over any kind of a garbage shop.

76

00:07:54.610 --> 00:08:03.560

Mary Lou Tighe: So what while? I said that the meetings are usually on Wednesday. The next meeting is on Friday, March tenth.

77

00:08:03.690 --> 00:08:19.590

Mary Lou Tighe: and we will get that information to you, Mayor, if you are looking for any background or history. All the meetings, all the documentation for the past 2 years is on the League website under quick links, and you will find everything

78

00:08:19.590 --> 00:08:27.190

Mary Lou Tighe: there if you. If there's stuff that you're looking for in particular. Give me a call, and i'll try and help you sort through it. So you don't have to.

79

00:08:27.310 --> 00:08:44.020

Michelle J. Gomez: and and the test is on the tenth of March. I'll test you on everything in the past 2 years. Yeah, that was one of my, I think. Do you have like a quick little cheat sheet like quick nose, or whatever that I can just jump on into, and then, but I also know Troll Guys is with our city is a really good

80

00:08:44.049 --> 00:08:45.200

Michelle J. Gomez: i'm on the

81

00:08:46.020 --> 00:08:52.330

Michelle J. Gomez: I guess the infrastructure side of some of it. So if I have some questions as well, if I can't reach you guys which I know I can't.

82

00:08:52.460 --> 00:08:55.380

Michelle J. Gomez: but i'll try to come up to speed by the time.

83

00:08:55.610 --> 00:08:59.500

Michael Cirullo: And I was gonna say, Mike.

84

00:08:59.520 --> 00:09:07.780

MayorRoss: I was gonna suggest that if she has any questions, give me a call, but because she's now on that correct. Okay.

85

00:09:07.790 --> 00:09:14.760

Michael Cirullo: so she can call me Mayor. If you have any questions, be happy to give you whatever you want from a legal perspective. So we're available to you.

86

00:09:14.810 --> 00:09:21.380

Michelle J. Gomez: Maybe we can have just maybe a quick half hour. If that's enough time we could set up an appointment where you and I can catch me up to speed.

87

00:09:21.420 --> 00:09:38.030

Michael Cirullo: Yeah, absolutely. And you want Mary Lou on that, too, or whoever would like to join that completely. Join wants to join. Just so that everybody, you know, Mayor, These are all sunshine, you know meetings, and we notice them. We record them.

88

00:09:38.080 --> 00:09:46.900

Mary Lou Tighe: provide opportunity for public comment at the end of it. And I think we're abiding by all the rules and regs that we have to. So

89

00:09:47.630 --> 00:09:59.500

Mary Lou Tighe: that's where we are that said. I think we have finished the business of what we needed to do today. I know you're all busy. You appreciate your time, and unless anybody has anything else to add.

00:10:01.890 --> 00:10:06.390

00:10:16.510 --> 00:10:20.660

Becky Tooley: Thank you.
