4

00:00:40.860 --> 00:00:42.640

00:00:42.690 --> 00:00:49.180

Michael Cirullo: There's no formal process or so in the vacancy in the previous, when there's been vacancies, that the

6

00:00:49.430 --> 00:01:00.120

Michael Cirullo: Flor has been open to the members that are present. That we do. We have a official like Roll call there. Who is here in? Yes, Mike, i'll do that now.

7

00:01:00.600 --> 00:01:03.240

Mary Lou Tighe: Mayor Thurston from Waterhill.

8

00:01:03.400 --> 00:01:04.500

Ken Thurston: Rosa.

9

00:01:07.490 --> 00:01:09.830

Mary Lou Tighe: if if you could just respond if you're present

10

00:01:11.260 --> 00:01:12.400

Michael Cirullo: he did.

11

00:01:12.680 --> 00:01:14.500

Mary Lou Tighe: Thank you. Thank you. Mayor. Got you

12

00:01:16.280 --> 00:01:17.970

Mary Lou Tighe: Mayor Brown from Weston

13

00:01:18.870 --> 00:01:19.670

Mayor Peggy Brown: here.

14

00:01:21.840 --> 00:01:23.740

Mary Lou Tighe: Mayor Gomez from Tamarack.

15

00:01:23.750 --> 00:01:24.720

Michelle J. Gomez, Mayor of Tamarac, FL: Good morning.

16

00:01:26.240 --> 00:01:28.390

Mary Lou Tighe: Vice Mayor Welsh from Coconut Creek.

17

00:01:32.580 --> 00:01:34.080

Mary Lou Tighe: Vice Mayor. You need to mute.

18

00:01:35.070 --> 00:01:37.410

Sandra Welch: I'm here. Got it. Thank you.

19

00:01:39.880 --> 00:01:41.780

Mary Lou Tighe: Mayor Cassiano from Margate.

20

00:01:41.960 --> 00:01:42.830

Caggiano 12.9 iPad: President.

21

00:01:43.050 --> 00:01:45.730

Mary Lou Tighe: Thank you. Commissioner Orange, from Oakland Park

22

00:01:46.130 --> 00:01:46.820

ONLY IN OAKLAND PK: here.

23

00:01:47.180 --> 00:01:50.750

Mary Lou Tighe: Thank you, sir. I Mayor Borjon from North Lauderdale.

24

00:01:53.280 --> 00:01:55.330

Do not see the Mayor

25

00:01:55.660 --> 00:02:00.470

Mary Lou Tighe: Commissioner Lazar from Hallendale beach is unable to attend

26

00:02:00.590 --> 00:02:02.850

Mary Lou Tighe: Audrey Lakes Commissioner Thomas.

27

00:02:06.940 --> 00:02:11.100

Mary Lou Tighe: We do not have Commissioner with us, and Mayor Greg Ross from Cooper City

28

00:02:11.170 --> 00:02:13.270

MayorRoss: here. Excuse me here.

29

00:02:13.350 --> 00:02:18.000

Mary Lou Tighe: So we do have a quorum of the representatives from the middle cities present.

30

00:02:19.670 --> 00:02:25.330

Michael Cirullo: Okay, so, as I was saying, but there is no formal process. If a form out. Full process needs to be

31

00:02:25.400 --> 00:02:34.470

Michael Cirullo: adopted. We can't do that. But in the past, when we've filled the vacancies, we've opened the floor up to folks who have suggested or nominated

32

00:02:34.520 --> 00:02:37.650

Michael Cirullo: as someone. And if there's multiple

33

00:02:38.940 --> 00:02:49.410

Michael Cirullo: nominees, it's up to the the the committee, whether they want to hear from those nominees or just move to a vote in the order in which the names are put forth on the floor.

34

00:02:49.560 --> 00:02:57.470

Michael Cirullo: Again, if there's a need to have anything more formal based on the discussions we can do so but for now that's how it's been handled in the past.

35

00:02:58.070 --> 00:02:59.920

Mary Lou Tighe: Mayor Brown has her hand raised.

36

00:03:00.600 --> 00:03:08.280

Mayor Peggy Brown: Yes, thank you, Mary Lou for acknowledging my hand raise. I would actually like to be considered a nominee for this position.

37

00:03:11.930 --> 00:03:12.910

Mary Lou Tighe: Thank you, Mayor

38

00:03:18.500 --> 00:03:21.750

Caggiano 12.9 iPad: Anthony CAD, General from Margate. I would also like to be considered.

39

00:03:24.750 --> 00:03:28.260

Sandra Welch: and I likewise Sandra Welch Coconut Creek

40

00:03:34.840 --> 00:03:36.910

MayorRoss: motion to close your nominations

41

00:03:37.940 --> 00:03:40.870

Mary Lou Tighe: stand by Mayor Ross.

42

00:03:42.870 --> 00:03:49.260

Michelle J. Gomez, Mayor of Tamarac, FL: Mary Gomez has had has the non-caffinated question. So

43

00:03:50.230 --> 00:03:57.530

Michelle J. Gomez, Mayor of Tamarac, FL: this is to replace Commissioner Tulli. Correct, I guess. I'm just a little bit confused by

44

00:03:58.940 --> 00:04:05.250

Michelle J. Gomez, Mayor of Tamarac, FL: I's not confused by the list. So this is to go for the working group. Correct?

45

00:04:05.390 --> 00:04:08.220

Michelle J. Gomez, Mayor of Tamarac, FL: Okay, Thank you. So I got when I

46

00:04:08.250 --> 00:04:09.120

Michelle J. Gomez, Mayor of Tamarac, FL: Never mind.

47

00:04:09.530 --> 00:04:19.620

Michael Cirullo: Thank you for clarifying. The middle group has 3 representatives on the solid waste working group. And so there's one of the 3 vacant

48

00:04:19.990 --> 00:04:25.120

Michael Cirullo: vacancies is what we're discussing this morning, and it has to come from

49

00:04:25.220 --> 00:04:28.000

Michael Cirullo: one of the members of the middle group. So

50

00:04:28.070 --> 00:04:30.760

Michael Cirullo: that's why the meeting is limited to that group.

51

00:04:30.860 --> 00:04:41.000

Mary Lou Tighe: and currently the the those. the 2 out of the 3 members are Mayor Ross from Cooper City and Mayor Gomez from camera.

52

00:04:42.890 --> 00:04:44.860

Michelle J. Gomez, Mayor of Tamarac, FL: And when we just did the board, call

53

00:04:45.150 --> 00:04:50.880

Michelle J. Gomez, Mayor of Tamarac, FL: others that mentioned that we're just because they're here from the board, and now we're narrowing it down. That was where I kind of

54

00:04:50.970 --> 00:05:00.920

Mary Lou Tighe: the those participating in this meeting this morning

on the roll call are the delegates appointed by each city to the solid waste delegate list.

55

00:05:00.960 --> 00:05:06.660

Mary Lou Tighe: and then from the solid waste delegate list, 9 members sit on the solid waste working group

56

00:05:07.450 --> 00:05:17.090

Michelle J. Gomez, Mayor of Tamarac, FL: again my apologies. I just confuse myself, and i'm gonna go have my cup of coffee while our our nominees tell us why they are the best ones to be on the working group.

57

00:05:19.780 --> 00:05:22.690

Mary Lou Tighe: So we have 3

58

00:05:22.920 --> 00:05:35.800

Mary Lou Tighe: names on nominations. I don't know whether or not you want to do a strict roll call or a role vote, or we want to go through and hear from the 3. If those nominations

59

00:05:35.930 --> 00:05:43.080

Michael Cirullo: I don't believe they need to be seconded, do they?

60

00:05:44.880 --> 00:05:45.630

Michael Cirullo: You know

61

00:05:46.060 --> 00:05:53.970

Michael Cirullo: I would. I just recommend, you know, if the folks want to speak on their behalf, that that we go ahead and do that before the vote. Just so it we have it done.

62

00:05:54.020 --> 00:05:55.760

Michael Cirullo: I need to do it as a hand up.

63

00:05:57.320 --> 00:05:58.490

Michael Cirullo: I miss Welsh.

64

00:05:59.980 --> 00:06:05.010

Sandra Welch: Let's go in the order that the nominations were put on

the floor

65

00:06:05.070 --> 00:06:21.480

Michael Cirullo: if we can. I think we've got a question. Oh, okay, no, it wasn't it. Wasn't a question, Mike. I was just willing to go first

66

00:06:22.020 --> 00:06:24.690

Michael Cirullo: the way traditional knowledge we would go from

67

00:06:24.710 --> 00:06:25.770

Michael Cirullo: Mayor Brown.

68

00:06:26.010 --> 00:06:33.820

Michael Cirullo: You missed the Commissioner Welsh, and then

69

00:06:34.110 --> 00:06:41.350

Caggiano 12.9 iPad: Mayor Casiano, do you have your hand up to raise your question, or are you? I thought you would ask to put your hand up if you wanted to speak, but I I'll wait for my turn.

70

00:06:41.810 --> 00:06:46.950

Mary Lou Tighe: and so that we all know Commissioner Thomas is now joining us from

71

00:06:53.820 --> 00:06:54.850

Mary Lou Tighe: May around.

72

00:06:55.340 --> 00:06:58.640

Mayor Peggy Brown: Oh, did you want me to start? Thank you.

73

00:06:58.920 --> 00:07:04.570

Mayor Peggy Brown: Well, all my colleagues. Both Anthony and Sandra are worthy

74

00:07:06.240 --> 00:07:15.770

Mayor Peggy Brown: and notable for their one to participate as well, and be selected. I, too, believe I've sat on this work. You know

75

00:07:15.980 --> 00:07:25.760

Mayor Peggy Brown: this committee, for now it's inception under the guidance of our former mayor, Dan Sturmer, as well as just fitting with

76

00:07:25.810 --> 00:07:27.590

Mayor Peggy Brown: phone city manager

77

00:07:27.610 --> 00:07:38.150

Mayor Peggy Brown: and our city attorney. I I just believe that, having been boots on the ground at the original conception of this, whether it was an independent

78

00:07:38.240 --> 00:07:52.260

Mayor Peggy Brown: in our local agreement, we went through the whole like reiteration of all this. I believe that since I've been there from the beginning, I have a pretty good handle on what's going on, and what the history is of this

79

00:07:52.520 --> 00:07:58.560

Mayor Peggy Brown: this whole agreement, as we've gone from inception to our current state right now, and as the

80

00:08:00.230 --> 00:08:20.200

Mayor Peggy Brown: Broward County Commission met yesterday as well. I I feel like I have a really good handle on where we're going, what we're doing, and I think I in a in an agreement. I I don't think there's anything so special about me that Anthony and Sandra Don't as well qualify, for I would just like to participate this and see it to from inception to its end. So

81

00:08:20.200 --> 00:08:25.270

Mayor Peggy Brown: there's where I stand. Any one of us is a worthy nominee. But thank you.

82

00:08:25.940 --> 00:08:28.500

Mary Lou Tighe: Thank you. Mayor Vice Mayor Welch.

83

00:08:31.160 --> 00:08:38.539

Sandra Welch: Okay, Thank you. First of all. thanks, Mayor.

84

00:08:38.809 --> 00:08:46.040

MayorRoss: I thought Anthony Casiano was second, and Sandra was third. Am I incorrect? I'm sorry. Maybe you were correct.

85

00:08:48.130 --> 00:08:49.090

Caggiano 12.9 iPad: All right.

86

00:08:49.190 --> 00:08:51.500

Caggiano 12.9 iPad: Let's make sure. I'm: okay.

87

00:08:53.640 --> 00:08:55.550

Caggiano 12.9 iPad: Thank you for the client. Words May Brown.

88

00:08:56.900 --> 00:09:04.080

Caggiano 12.9 iPad: This is one of the most important topics for our whole county is where we going to be putting our garbage.

89

00:09:04.810 --> 00:09:08.670

Caggiano 12.9 iPad: And this is something that's close to heart, because

90

00:09:08.890 --> 00:09:12.250

Caggiano 12.9 iPad: I believe that we need to make sure that our future is protected.

91

00:09:13.290 --> 00:09:14.740

Caggiano 12.9 iPad: and

92

00:09:14.780 --> 00:09:18.180

Caggiano 12.9 iPad: no I don't. I didn't start at the inception

93

00:09:18.210 --> 00:09:25.410

Caggiano 12.9 iPad: with May a stormer, but I've been in on most of the meetings that they've had public. and

94

00:09:27.340 --> 00:09:38.870

Caggiano 12.9 iPad: Margate is a city that's probably going to be a little bit of a problem they keep. We have certain commissioners who continuously cry that Margaret's not being represented. and I believe that

95

00:09:39.420 --> 00:09:44.470

Caggiano 12.9 iPad: it's important that we be represented in this way, just to shut them up.

96

00:09:46.160 --> 00:09:52.950

Caggiano 12.9 iPad: and the most important thing is, I believe, in this course. I believe we all have to be able to play in the sandbox well together.

97

00:09:53.490 --> 00:09:54.850

Caggiano 12.9 iPad: and

98

00:09:56.820 --> 00:09:59.490

Caggiano 12.9 iPad: this is this is real important, and

99

00:10:00.830 --> 00:10:06.980

Caggiano 12.9 iPad: and I just would like to be there to be there to make sure that this happens. And it happens correctly. and i'll leave it at that.

100

00:10:08.430 --> 00:10:11.110

Mary Lou Tighe: Thank you, Mayor. Now Vice Mayor Welch.

101

00:10:11.980 --> 00:10:29.600

Sandra Welch: are you sure? Okay. So again thank you, Mayor Brown, and for stepping up I'd, I'd like to dial it back. Actually to when I was before, when I was first elected in 2,013, there was an old, staunch, solid waste

102

00:10:30.160 --> 00:10:34.650

Sandra Welch: citizen here in Coconut Creek, who had all the in about the

103

00:10:35.040 --> 00:10:54.710

Sandra Welch: the landfill that's near us, and he said, Learn as much as you can about waste and water, and I have done my due diligence on that the non sexy stuff, but also extremely important; and even though I was a delegate under the guidance of everyone else, I was

104

00:10:54.710 --> 00:11:00.720

Sandra Welch: truly involved from the very inception since I've been elected, and

105

00:11:00.730 --> 00:11:18.280

Sandra Welch: I haven't just been a fly on the wall. I've been texting our city attorney and our deputy city manager about items to bring up that maybe have. Were overlooked. Certainly no reflection on Becky because she served as well, nonetheless. But

106

00:11:18.280 --> 00:11:37.240

Sandra Welch: I'm here I have been, and I stand ready to keep up the good representation on behalf of all the middle cities. Mayor Casiano, you know, because we have to. We have to be in this to win this race. It's not going to happen without a collaboration of each and every one of us. So

107

00:11:37.240 --> 00:11:39.990

I ask for your vote.

108

00:11:40.020 --> 00:11:43.990

Sandra Welch: Mayor Ross and Mayor Gomez and i'll leave it at that.

109

00:11:57.800 --> 00:12:02.500

Michael Cirullo: Okay, okay. I was gonna I was gonna suggest they 8

110

00:12:02.650 --> 00:12:08.120

Michael Cirullo: a a process. There are one of my account someone correct me if i'm wrong. There are 8

111

00:12:09.130 --> 00:12:12.070

Michael Cirullo: folks here present that would vote on this.

112

00:12:12.530 --> 00:12:15.580

Michael Cirullo: That would mean that to get a majority.

113

00:12:15.720 --> 00:12:17.600

Michael Cirullo: a person would need 5.

114

00:12:19.190 --> 00:12:21.170

Michael Cirullo: We do have

115

00:12:21.450 --> 00:12:26.560

Michael Cirullo: 3 nominees, and not knowing what the votes would be before we go in

116

00:12:26.670 --> 00:12:37.580

Michael Cirullo: Just in this there's any objection to this, I would suggest if we we do the the voting. And again they would be in the order of the nominees. Once somebody gets 5 votes

117

00:12:37.760 --> 00:12:39.560

Michael Cirullo: that they've got the majority.

118

00:12:39.750 --> 00:12:43.910

Michael Cirullo: If no one gets 5 votes on the first round, and

119

00:12:44.240 --> 00:12:55.350

Michael Cirullo: there is a ability for the the number 3 person. I would say. drop off, and then you have a second round of voting on the 2 remaining

120

00:12:55.620 --> 00:12:58.270

Michael Cirullo: it that works for everybody.

121

00:12:58.290 --> 00:13:00.860

Michael Cirullo: If for some reason

122

00:13:01.030 --> 00:13:08.920

Michael Cirullo: we end up with a you know, 4 boats as a tie on on the 2 folks, or something like that, because once you cast the boat

123

00:13:09.260 --> 00:13:20.350

Michael Cirullo: we're on the votes. They're not. You're not included from voting the next person in the next person. Then we would discuss how we want to move forward with the vote. But I maybe we recommend, maybe to try to keep this

124

00:13:20.640 --> 00:13:26.480

Michael Cirullo: simple first and see if it works, as both in the

first round. And first first they get to 5. Both

125

00:13:26.690 --> 00:13:29.330

Michael Cirullo: is your nominee, if the only gets by both.

126

00:13:29.640 --> 00:13:39.510

Michael Cirullo: Then if there's a person that is third in that, maybe only gets 2 boats or something, that person would drop off, and it would have a second round of voting on the 2 remainder.

127

00:13:40.900 --> 00:13:44.760

Michael Cirullo: Does anybody have any concerns with going through that process.

128

00:13:44.790 --> 00:13:47.470

Mary Lou Tighe: Mayor Brown or Mayor Gomez has her hand raised.

129

00:13:51.040 --> 00:13:55.860

Michelle J. Gomez, Mayor of Tamarac, FL: It's it's a clarification, because I think you said it. But so, in other words.

130

00:13:56.080 --> 00:13:59.440

Michelle J. Gomez, Mayor of Tamarac, FL: we have. One person goes up and all of us can vote.

131

00:13:59.590 --> 00:14:01.230

Michael Cirullo: We're all I know it's gonna go.

132

00:14:01.780 --> 00:14:05.440

Michelle J. Gomez, Mayor of Tamarac, FL: Second person goes up. The same. People can all vote again.

133

00:14:05.570 --> 00:14:08.280

Michelle J. Gomez, Mayor of Tamarac, FL: or we don't vote again. Is that

134

00:14:08.520 --> 00:14:10.750

Michael Cirullo: Yes, and the alternative is this is.

135

00:14:11.410 --> 00:14:18.260

Michael Cirullo: Go through the 8, and you would say a name and see who the top 2 both, you know, person which might actually be more straightforward.

136

00:14:18.480 --> 00:14:29.820

Michael Cirullo: Just go through. Call the 8 names you say your name you vote for, and if someone gets 5 of those, then we move on, and and if someone, and if whoever did, whoever finishes third in that vote

137

00:14:31.720 --> 00:14:34.530

Michael Cirullo: would would drop off we do it again.

138

00:14:35.620 --> 00:14:42.210

Michael Cirullo: That's that's the alternative which I think that's what we did actually, the last meeting, if I recall Mary Lou

139

00:14:43.510 --> 00:14:44.370

Mary Lou Tighe: correct.

140

00:14:46.830 --> 00:14:49.060

Michael Cirullo: so we would just call and order the 8

141

00:14:50.250 --> 00:14:54.890

Michael Cirullo: and count votes, and you would just announce which of the 3 you're voting for.

142

00:14:56.340 --> 00:15:01.190

Michael Cirullo: and if someone gets 5 votes on that round. Then they're elected. If not.

143

00:15:02.610 --> 00:15:05.900

Michael Cirullo: we drop off number 3 and

144

00:15:07.280 --> 00:15:08.370

Michael Cirullo: have a reboot.

145

00:15:09.100 --> 00:15:14.380

Michelle J. Gomez, Mayor of Tamarac, FL: I don't know if i'm a to ask this, but to the candidates care like to the candidates have a

problem.

146

00:15:14.590 --> 00:15:21.630

Mary Lou Tighe: I I don't. I don't think we do a candidate preference on it. I think it's the process that works best for the overall.

147

00:15:23.190 --> 00:15:28.300

Michael Cirullo: That's the way we've done it in the past.

148

00:15:28.560 --> 00:15:29.750

Mary Lou Tighe: It would be my

149

00:15:31.440 --> 00:15:34.540

Mary Lou Tighe: suggest that we continue to use that process.

150

00:15:34.680 --> 00:15:39.360

Michael Cirullo: Yeah, I I do, too. I think that after thinking about it, that that I,

151

00:15:39.590 --> 00:15:48.310

Michael Cirullo: that the I we called what we do now, which was called the role. say a name. Someone gets 5 boats. They're right. If not.

152

00:15:48.360 --> 00:15:52.200

Michael Cirullo: we Haven't had more than 2 before, but in this process we would.

153

00:15:52.210 --> 00:15:55.280

Michael Cirullo: So you could drop off number 3 and do another round of voting.

154

00:15:57.050 --> 00:15:58.190

Sharon Thomas: Mary Lou.

155

00:15:58.790 --> 00:16:00.500

Mary Lou Tighe: Yes, Commissioner Thomas.

156

00:16:00.950 --> 00:16:16.760

Mary Lou Tighe: Yes, I was not here. I just. I'm sorry for being late.

00:16:35.650 --> 00:16:50.830

Mary Lou Tighe: probably better off that way. So i'm going to start calling off the names of the committee members, and if you just announce who you are going to vote for out of our 3 candidates. Sally and I will try and tally that as we go through

162

00:16:50.890 --> 00:16:52.510
