DANIEL REINSTEIN

May 13, 2026

Dear President Horland and the Youth Leadership Committee of the Broward County League of Cities,

I wanted to sincerely thank you again for selecting me as one of the recipients of the 2026 Broward County League of Cities Scholarship for Government Studies. It was truly an honor to be recognized for this award by an impactful and important organization such as the League of Cities.

I am also incredibly grateful for the time and effort that went into organizing such an amazing awards dinner. Being there, having the opportunity to speak, and celebrating alongside so many of our community leaders and fellow student recipients made the experience unforgettable. It was a special night that I will carry with me moving forward.

I will forever be grateful to the Broward County League of Cities for your generosity and support. This scholarship means so much to me, and it continues to motivate me to pursue my goals in government and public service. I also hope to stay connected and find ways to get involved with the League in the future.

Thank you again for everything and for an incredible evening.

Sincerely,

Daniel Reinstein
