MISSION STATEMENT

- **Identify and help resolve issues affecting municipalities within Broward County;**
- **Promote municipal authority and represent the interests of municipalities and their residents;**
- **Strive to increase public knowledge of municipal services, issues, concerns, accomplishments and responsibilities;**
- **Provide leadership on issues of local, regional, state and national concern.**

MESSAGE FROM THE EXECUTIVE DIRECTOR

Thank you for your membership in the Broward League of Cities. The strong partnerships between our municipal and associate members positions the Broward League as one of the premier regional leagues in the State of Florida.

We are actively engaged at all levels of government. Our advocacy on behalf of our municipal members, ensures a healthy and vibrant environment in which our cities prosper. Above all we work to protect home rule and defend against unfunded mandates.

Our associate members are a vital component of the League's efforts. Their involvement and input allows the League to be knowledgeable and focused on the needs and challenges our private sector partners face on a daily basis.

The League is organized into committees and task forces which examine issues, exchange ideas, research solutions and develop positions that will benefit our communities and members. Additionally, workshops, general membership meetings and the annual installation dinner provide excellent networking opportunities for all members. Please get involved, participate and maximize these valuable membership benefits.

It is my honor and privilege to serve as Executive Director of the Broward League of Cities. I welcome your thoughts and ideas at any time and thank you for being a member of this very dynamic and vital organization.

Regards,

Mary Lou Tighe
Executive Director

PS: If you are not a member of the Broward League of Cities, please consider joining. Membership information can be found on our website at www.browardleague.org.

MESSAGE FROM THE PRESIDENT

Dear Colleagues and Members,

It is both an honor and a privilege to serve as the 2026-2027 President of the Broward League of Cities. I am grateful for the trust you have placed in me, and I look forward to working alongside each of you in the year ahead. I step into this role with gratitude, purpose, and excitement for what we will accomplish together.

As Mayor of the City of Dania Beach, I have seen firsthand the power of local government to strengthen communities, solve challenges, and improve lives. That experience has reinforced a belief I know many of us share: the best solutions emerge when we listen, collaborate, and work together in service to our residents.

For more than a decade, the Broward League of Cities has united municipal leaders around the ONE Broward vision. Through innovation, collaboration, and a commitment to shared success, our member cities have worked together to address regional challenges, strengthen communities, and create opportunities that benefit residents throughout Broward County. This legacy reflects the dedication of elected officials, municipal professionals, business partners, and community leaders working toward a stronger future for Broward's 31 municipalities.

This year, we will build upon that foundation with a new theme: **ELEVATE ONE Broward.**

To elevate is a deliberate choice. It is the choice to look beyond today's challenges and focus on tomorrow's opportunities. It is the choice to support one another, share ideas freely, and pursue excellence in service to our residents. Most importantly, it is the choice to leave every community stronger than we found it.

Elevating Broward begins with how we lead, how we communicate, and how we support one another. That is why Elevate ONE Broward is built upon three guiding principles: **lifting each other up, telling our story better, and governing with dignity.**

By lifting each other up, we strengthen every municipality in Broward County through shared knowledge, mutual support, and a commitment to collective success. By telling our story better, we can highlight the essential role local government plays in enhancing quality of life, building trust, and creating vibrant communities. By governing with dignity, professionalism, and respect, we set the standard for leadership and foster meaningful progress throughout our region.

The future of Broward County will not be defined by the success of any one municipality, but by our willingness to elevate one another. Every city has its own character, priorities, and strengths, yet we are united by a shared commitment to public service and a belief that our residents deserve the very best from their local governments.

As we begin this new year, I invite you to join me in choosing to elevate. Elevate our leadership. Elevate our partnerships. Elevate our communities.

Together, we are ONE Broward. Together, we will Elevate ONE Broward.

Sincerely,

Mayor Joyce L. Davis
